The Rock Grill

Taste The Experience

A taste of the Algarve in Whitwood

The Rock Grill is a unique, delicious and healthy interactive dining experience that allows your meal to be presented cooking on your volcanic rocks at your table.

You can enjoy a meal freshly prepared and cook it to your taste whether it's rare, medium or well done.

The unique Rock Grill method of dining uses a very high temperature rock that sears in all the natural juices, flavours and nutrients.

All of our produce is trimmed of fat no oil is used in the cooking process; this guarantees a taste that is unique to Rock Grill cooking.

For the perfect Rock Grill experience, simply cut one or two bite size portions
